**HIGH EFFICIENCY WASHER  
 REPLACEMENT REBATE PROGRAM  
 \$210 REBATE APPLICATION**

Replacing your old washer with a new high efficiency washer will save you money and water use. Additional information is available upon request at the District office.

When you select, purchase and replace your old washer with a new high efficiency washer you are eligible to receive a \$210.00 rebate.

In conjunction with Calleguas Municipal Water District the Channel Islands Beach Community Services District Board of Directors has established a program to encourage the replacement of existing "water wasting" washers with an approved high efficiency washer type. To qualify for the Rebate Program you must meet the following requirements:

1. You must be a CIBCSD customer.
2. Washer must be from approved list of high efficiency washers.(list available)
3. CIBCSD staff must inspect the installation.
4. Washer must be installed and connected at the time of inspection.
5. A rebate check of \$210.00 will be issued within 120 days of compliance with the requirements.

Thank you again for participating in the high efficiency washer rebate program. If you have questions or need additional information, please contact the CIBCSD staff at 985-6021.
